

Neonatal Simulation Instructor Course

MPROVE ACADEMY

Dr ALOK SHARMA

1/1/23

NSIC

Module 1

0800 Registration & Coffee

0830-0900 Simulation MPROvEs Performance, Outcomes and Reduces Error

0930-1100 Session 1-Manikins, Moulage and Manikin Modification

Session	Groups	Topic			
Workshop 1		Manikins			
Workshop 2		Manikin Modification			
Workshop 3		Moulage			
All three groups rotate every 30 minutes.					

1100-1300 Session 2-Running the Manikin

Session	Groups	Topic				
Workshop 1		High fidelity manikins				
Workshop 2		Low and Medium Fidelity manikins				
Workshop 3		The Scenario Cycle				

1300-1330 Lunch

1330-1530 Session 3-Design and Run Your Scenario

Three groups design, run and debrief the scenarios in each group
Prize for the Winning Group

1530-1540 Tea and Coffee

1540-1730 Session 4-Controversies in Running Simulation-QA

Session				
Video Debriefing	What’s out there	Software vs Mobile	Does it help?	
Ethics and Confidentiality	I am worried about a candidate’s performance	I am concerned about an instructor	I shook Sinatra’s hand vs What happens in Vegas	
Death in Neonatal Simulation	Never, Yes, it has a place, Well established-Let see what you think?			
Cheating and lying in neonatal simulation	Never, Yes, it has a place, Well established-Let see what you think?			
Should we use neonatal simulation to assess ability/as an exam/verify a competency?	Never, Yes, it has a place, Well established-Let see what you think?
