

MPROvE

MultiPROfessional Simulation in neonatal Education

Neonatal Simulation Instructor Course

MPROVE ACADEMY

Dr ALOK SHARMA

1/1/23

NSIC

Module 1

0800

Registration & Coffee

0830-0900

Introductions Ground Rules

0900-1200

Session 1-Starting a simulation programme

0900-0930

Educational Principles, Adult Learning and Delivery of Simulation & TEL

0930-1000

Setting up Your Simulation Programme
Modelling on your NNU or Point of Care or Both

1000-1030

Designing Your Scenarios & Curriculum Mapping
Why is this necessary!!!

1040-1100

Tea/Coffee

1100-1230

Session 2-Simulated Workshops (3 groups rotate with local IC)

Session	Mentors	Topic				
Workshop 1		Designing a Scenario				
Workshop 2		Scenario Packaging				
Workshop 3		Scenario Prebrief				
All 3 groups rotate every 30 minutes						

1230-1300

Session 3-Running the scenario (All together) Demo by Faculty

1300-1330

Lunch

1400-1800

Session 4-Debriefing in Simulation

1400-1430

What is Debriefing/Frames-Actions-Results Double Loop Learning

1430-1515

Video’s and Practice

1515-1530

Working Tea/Coffee

1530-1600

Debriefing in Practice

1600 -1730

Session 3-Workshops -It’s all in the D’s

Session	Mentors	Topic				
Workshop 1	The Difficult Debrief	The 6 D’s				
Workshop 2	The Delicate Debrief	Debriefing unsuccessful resuscitation/Death				

1800
